We love our salads (and we hate waste) ... if you don't want salad, please lettuce know!!

FYI: Our salad mix comes directly from the organic kitchen garden at Wortley Hall and is usually on your plate within 24 hours of picking. At the moment the mix comprises a selection of butterhead lettuce, escarole (light green leaf with lots of crispy blanched rib) endive (similar but darker green and more bitter), red mizuna (purple leaves, spicy), rucola, land cress, yellow Chinese cabbage flowers, claytonia (fleshy leaves sometimes with white flower in middle), green frills - a Chinese mustard with fine cut, spicy leaves.

Bon Appetito!
